

Template for project submission for
Visual/Performing Arts

Project Summary:

(1) background information about your work/course of study (e.g., explanation or description of your work and what it represents) (limit 200 words)

(2) significance and impact of work (e.g., what your work means to you and your field of study) (limit 200 words)

(3) future direction (e.g., where might you go from here based on your current project) (limit 100 words)

Abstract: An abstract is an even briefer summary (limit 100 words) of your project that will be printed in the GradShow program. *Hint:* It usually consists of several sentences related to each of the above mentioned areas (e.g., background information, significance of work, and future direction).
