CELEBRATING RESEARCH AND CREATIVITY

Poster # _____

Name: _____

Please circle only the corresponding score for each category that best describes your opinion of the student's work. There is no half-point option.

Category	Fair			Average			Exceptional
Background and/or Context	1 Confusing, limited in relevance	2	3	4 Useful, but also somewhat unclear or lacking	5	6	7 Very thorough; easy to follow; balanced relevancy with comprehension
Purpose	1 Poorly stated; not well supported by literature or other arguments	2	3	4 Addressed, but additional clarification needed	5	6	7 Clearly articulated; well supported by literature and/or other compelling rationale
Design	1 Incomplete, inappropriate, or poorly explained	2	3	4 Clearly or well described, but lacking detail or may not be best approach given purpose	5	6	7 Well crafted, appropriate for project; contained necessary and relevant details
Results/ Outcomes	1 Briefly communicated; not relevant or improperly completed	2	3	4 Presented well, but more comprehensive detail is required; unclear or not directly relevant	5	6	7 Clearly and concisely communicated; mastery of statistics, interpretation, etc.
Conclusions	1 Not supported by data or outcome indicators	2	3	4 Warranted overview with limitations identified, but required additional clarification and/or could have been expanded	5	6	7 Strong implications for changing future practice; limitations well identified
Impact	1 Limited contribution overall to the field/area of study	2	3	4 May have some influence on the field/area of study, but limited	5	6	7 Significant influence; makes a substantial contribution to the field
Poster Layout and Visual Impression	1 Disjointed; misspellings, grammatical errors	2	3	4 Easy to read with clear titles and headings, but improvement needed	5	6	7 Visually effective; careful preparation; conveys intentions
ORAL N/A Presentation	1 Difficult to understand; use of technical jargon; poor delivery	2	3	4 Acceptable; made some points, but confusing or unclear at times	5	6	7 Clearly communicated; well organized, interesting

If student is not at poster, mark N/A for ORAL Presentation but please score all other categories based on poster content.

Total Score: _____/56
