CSU Health Network: Care for Body and Mind

Kate Hagdorn, Assoc. Director of Communications
Your Home for Health

- All enrolled students have full access to a wide range of services, regardless of insurance plan.

- We can file claims with private insurance for medical services and have contracts with most major insurance carriers.

- By paying student fees, you can access a wide range of mental health support resources. Visit Counseling Services on the 3rd floor to work together and find the services that are best for you.
