

# Graduate Students and the CSU Libraries

Graduate school is an adventure and you have so many partners on campus—including at the Libraries! We help all graduate students, at any stage in their journey, online or in person. Talk to us any time you're feeling lost. We'll help you get what you need and find your place.

## Get What You Need

Diverse materials for research and inspiration

Specialized software for your research and artistry

Consultations for all stages of research

Assistive Technology Rooms

Guidance for managing research data

Affordable learning materials for your students

## Find Your Place

Quiet space for work or study

Reservable group study rooms

Meditation and Prayer Room

Morgan's Grind Café

Specialized Veterinary Library

Childcare while studying at Morgan Library (Ram Kidz)
