We hereby recommend that the thesis or dissertation prepared under our supervision by the above student be accepted as fulfilling in part requirements for their degree.

To the best of the advisor/co-advisor's knowledge, all recommended changes have been made to the thesis/dissertation and if applicable, all classified, confidential, and proprietary content has been properly addressed. Classified, confidential, and proprietary content includes material related to national economic and security issues or regulated research that deals with human subjects or research that if misapplied, could pose a threat to public health and safety, products, or the environment. Sponsors of funded research may require a review of the thesis/dissertation to insure that the document meets their standards for public dissemination.
