

Graduate Students and postdoctoral scholars from participating Colorado Institutions are invited to attend these online professional development opportunities

ABOUT GradCO

GradCO is a collaboration of nearly ten universities across Colorado. It is designed to deliver a variety of high-quality professional development workshops, information sessions, and trainings to our graduate students and postdoctoral fellows. Together, we are better researchers, academics, and career professionals in CO.

WHY PARTICIPATE

This cross-Colorado-universities approach provides early career researchers and scholars a unique opportunity to learn from experts at multiple institutions and to connect with other early career scholars.

GradCO provides development sessions that align with multiple career-readiness competency areas:

- Career- & Self-Development (CSD)
- Communication (Comm)
- Equity & Inclusion (EI)
- Leadership (Lead)
- Professionalism (Pro)
- Teamwork (Team)
- Technology (Tech)

HOW TO ATTEND

It's easy!! You can sign up for one or all of offerings through the [Registration Link](#) provided next to each session title. All offerings are accessible online through the host institution. You will receive registration confirmation or additional participation information from the host institution.
