

## Events

Themed events are hosted in the dining centers each semester in partnership with different campus offices. Past events have included Environmental Eats, Midnight Breakfast, and LatinX Heritage Celebration, which all feature foods specifically related to the themes.

## Employment Opportunities

In addition to the ease of working on campus, dining associates enjoy complimentary shift meals, regular wage increases, and work schedules that are tailored to accommodate classes.

# ESSENTIAL RESIDING

# Start here.

## DINING CENTERS

Ram's Horn, The Foundry, and Braiden Dining Centers have frequently rotating menus across several stations, served all-you-care-to-eat style; and Durrell Dining Center features 5 unique stations with rotating menus that can be ordered through Grubhub.

Meals are prepared on site by trained chefs who cater to residents' dietary needs and preferences. Dining Centers are open 7 days a week for breakfast, lunch, and dinner.

## MARKETPLACES

Durrell Center and Ram's Horn house convenience store-style marketplaces that offer a variety of packaged fresh and shelf-stable foods, as well as specialty beverages including espresso and smoothies.

Academic Village and Allison Hall also house mini-markets that are open 24/7 and offer entrées, snacks, and beverages.

## EXPRESS LOCATIONS

Made-to-order food and beverages can be ordered through Grubhub and picked up at Ram's Horn and RamWich at Braiden Dining Center.

## RAMCASH

Available to both on- and off-campus residents, RamCash is separate from meal plans and can be used at Residential Dining facilities, the Lory Student Center, vending machines, and for various campus services such as parking and printing. Hall residents receive a \$150 RamCash allowance per semester with their meal plan. A RamCard is required to use your meal plan and RamCash.

Available RamCash balances carry over as long as the account holder is still at CSU.

## CSU APARTMENT AND OFF-CAMPUS MEAL PLANS

All students, whether they live in the residence halls or not, are eligible to purchase meal plans. Apartment and Off-Campus meal plans give students access to all residential dining facilities on campus, the option to charge to your student account or pay with a credit card, and swipe in a guest (plus, children under age 5 eat free).

## WE ARE COMMITTED TO THE ADVANCEMENT OF SUSTAINABILITY!

93% of food waste is composted.

Leftover food is donated to the on-campus Food Pantry.

All to-go containers and cutlery is compostable.

On-campus grown greens – lettuce, herbs, and other produce – are served in dining centers.
