

The Women and Gender Advocacy Center offers a range of services, resources, and programming for students on campus impacted by interpersonal violence, sexual assault, relationship violence, stalking and childhood sexual abuse.

Our Confidential Advocacy Services:

- Crisis intervention
- Safety planning
- Emotional support and grounding strategies
- Information and connection to academic, legal, medical, emergency housing, and student conduct resources
- Support in navigating Title IX and criminal legal reporting structures
- Connections to trauma informed counseling
- Survivor centered support groups

* Advocates are available for drop-ins or scheduled appointments.

These services are available to primary survivors and secondary survivors who serve as support systems for primary survivors.

Throughout the academic year, our range of programming focuses on growing consent culture, healthy relationships, healthy boundaries, self-care, body image, and sex positivity. Our peer education group, The Red Whistle Brigade, is available for presentation requests on related issues for student organizations and academic classes.

We have two on-campus locations!

Main: 112 Student Services Building

* Our advocacy support services

Satellite: 234 Lory Student Center

* A supportive and cozy, chill vibes space to take a break, hangout, and study.
